11.10 For the avoidance of doubt and notwithstanding anything else contained in this Agreement, the Supplier has control of, and ultimate responsibility for, the health and safety of the Suppliers employees, and the health and safety of others who may be affected by the activities of the Supplier in carrying out the work, and nothing in this Agreement relieves the Supplier of this obligation. Compliance by the Supplier with the requirements of this Clause 11, shall be at the Supplier's cost.

If so required by DM Composites Pty Ltd, the Supplier shall produce for DM Composites Pty Ltd's inspection all Agreements (other than in respect to price) with Sub-suppliers which relate to the Goods.

No variation, whether of addition or omission, shall vitiate the Agreement. Where the Supplier receives a written direction which is not stated to be a variation but which the Supplier believes to be a variation, the Supplier shall forthwith so advise DM Composites Pty Ltd before complying with that direction. Should the Supplier fail to so advise DM Composites Pty Ltd, such direction shall be deemed to not constitute a variation; at its sole discretion, DM Composites Pty Ltd may waive its right to rely on this deeming. Where work is omitted, DM Composites Pty Ltd may, without incurring any obligation of cost or other liability to the Supplier, perform this work itself, or have the work carried out by others.

19.2 The value of all variations made or allowed shall be determined in accordance with the following rules:

- a) The schedule of rates or other method upon which the original Price was based (including any Bills of Quantity), shall be used to determine the valuation of extra work of a similar character, executed under similar conditions as work priced therein.
- b) The said rates where the extra work is not of a similar character or executed under similar conditions as aforesaid, shall be the basis of valuations for the same so far as may be reasonable, failing which a fair valuation thereof shall be made by DM Composites Pty Ltd.
- c) The prices in the said schedule of rates or other method upon which the original Price was based, shall determine the valuation of items omitted; provided that if omissions substantially vary the conditions under which any remaining items of work are carried out, the prices for the remaining items shall be valued on a fair and reasonable basis by DM Composites Pty Ltd. Any deductions shall include a reasonable amount for profit but shall not include any amount for overheads to the extent they continue to be incurred.
- d) Where DM Composites Pty Ltd considers extra work cannot properly be measured and valued using the rates or prices in the Agreement, DM Composites Pty Ltd may direct that the work be done:

(i) at day work rates or the prices prevailing when such work is carried out; (in each case, to be reasonably determined by DM Composites Pty Ltd) or

(ii) at the reasonable extra cost to the Supplier of its materials, transport, and labor for the work concerned, plus a reasonable percentage which percentage shall be deemed to compensate adequately the Supplier in respect of all costs of (but not limited to) ordinary plant, tools, existing scaffolding, jigs, or temporary works, supervision, overheads, and profit.

Provided that as a condition precedent to payment based on time-related rates, written records specifying the time daily spent upon the work (and if required by DM Composites Pty Ltd, the Workmen's names), and any plant, equipment, or materials employed, shall be delivered for verification to DM Composites Pty Ltd not later than one working day following that in which work has been executed. 20). DELIVERY AND PROGRESS

20.1 The Supplier shall carry out the Agreement with diligence and due expedition at all times. The Supplier shall commence work under the Agreement promptly upon receipt of the Purchase Order and continue with the work until Completion.

20.2 The Goods shall be ready for handing over to DM Composites Pty Ltd at the Delivery Point on the Date for Delivery according to the delivery terms specified in the Purchase Order or within the period stated in the Purchase Order, in either case during DM Composites Pty Ltd's usual business hours, subject to any extension of the period granted in accordance with Clause 20.7.

20.3 Where the Date for Delivery is to be specified after the placing of the Purchase Order, the Supplier shall give DM Composites Pty Ltd reasonable notice of the specified date, which date shall be consistent with DM Composites Pty Ltd's program requirements, as these may have been advised to the Supplier.

20.4 Within 7 calendar days from award of the Agreement, and if so required by DM Composites Pty Ltd, the Supplier shall submit to DM Composites Pty Ltd two copies of the production program for the Goods (the "Programme"). The Programme shall list all activities including where applicable, engineering, procurement, manufacture, assembly, testing, preparation for shipment, delivery, installation, and commissioning, together with any other activities, showing planned durations for each activity and their interrelationships. Significant milestones, including those upon which any agreed progress payments may be contingent, are to be indicated on the Programme together with the planned dates.

20.5 At 7-day intervals thereafter, or as may be required by DM Composites Pty Ltd, the Supplier shall resubmit the Programme with actual progress clearly shown against each activity. The Programme shall be accompanied by a brief written report for any deviations from planned activities together with the remedial steps being taken by Supplier to restore the Programme so that the Date for Delivery will be maintained.

20.6 Where DM Composites Pty Ltd so directs, a brief report on production status and delivery forecast is required to be provided to DM Composites Pty Ltd weekly.

20.7 The Date for Delivery may be extended by such time as may in all the circumstances be fair and reasonable if work on the Goods is delayed in the following events:

a) by any wrongful or negligent act of default, or delay, or breach of this Agreement, by DM Composites Pty Ltd, its servant or agents;

b) suspension of performance of the Agreement by DM Composites Pty Ltd pursuant to Clause 27; or

c) by force majeure in accordance with Clause 29.

and the Date for Delivery is unable to be achieved as a result.

20.8 As a condition precedent to such extension of the Date for Delivery, the Supplier shall as soon as such delay becomes apparent, forthwith give written notice of the cause and likely duration of delay to DM Composites Pty Ltd and provided also that the Supplier shall constantly use its best endeavours to prevent delay and shall do all that may reasonably be required by DM Composites Pty Ltd to proceed with the Goods. Provided that, absent notice from the Supplier, DM Composites Pty Ltd may at its sole discretion and in its own interests, grant such extensions of time as it may consider fair and reasonable.

20.9 If the Goods are to be delivered by instalments, the Agreement will be treated as a single Agreement and not severable.

20.10 The Supplier shall supply DM Composites Pty Ltd in good time with information required to enable DM Composites Pty Ltd to accept delivery of the Goods and performance of any work on the Site.

20.11 DM Composites Pty Ltd may at any time, by written notice which is expressly identified as an acceleration direction, direct the Supplier to accelerate the execution of the work. Unless the acceleration is necessitated by the failure of the Supplier to proceed with the work in a diligent and competent manner or otherwise cause progress of the work to be delayed (in which case the cost of such acceleration shall be to the Supplier's account), DM Composites Pty Ltd shall pay the Supplier its direct reasonable costs (if any), directly attributable to the acceleration.

20.12 Notwithstanding any other provision of the Agreement, and as a fundamental condition hereof, at any time, and whether or not DM Composites Pty Ltd has terminated the Agreement, DM Composites Pty Ltd may in writing direct the Supplier to immediately release and make available to DM Composites Pty Ltd any of the Goods (whether completed or not), and do all things necessary to enable DM Composites Pty Ltd to remove such Goods from the Supplier's (and Sub-supplier's) places of work. The Supplier hereby grants to DM Composites Pty Ltd an irrevocable license to enter upon the property of the Supplier to give effect to this provision, and shall do all that is necessary to retrieve any Goods from its Sub-suppliers. The Supplier shall promptly thereafter, submit to DM Composites Pty Ltd a claim for payment in respect only to the Goods removed by DM Composites Pty Ltd, which claim shall be regarded as a claim made under Clause 8.1, and which shall be valued as though only that part of the work had been terminated pursuant to Clause 28. Property in the Goods shall be deemed to reside in DM Composites Pty Ltd upon the direction being given to the Supplier to release the Goods. Any Goods not included in DM Composites Pty Ltd's direction shall continue to be subject to the Agreement. Any failure of the Supplier to comply with this Clause 20.12 shall be a fundamental breach of the Agreement, and in the event that DM Composites Pty Ltd makes an application to a court to enforce its rights under this Clause 20.12, this Clause is agreed by the Supplier to constitute a complete bar and defence to any application, defence, or counterclaim that the Supplier may raise at such, or related, proceedings in challenge of such rights of DM Composites Pty Ltd. This Clause 20.12 shall survive the termination of the Agreement.

21). ACCEPTANCE OF WORK

21.1 DM Composites Pty Ltd shall be entitled to reject any Goods delivered which are not in accordance with the Agreement, and shall not be deemed to have accepted any Goods until DM Composites Pty Ltd has had a reasonable time to inspect them following delivery or, if later, within a reasonable time after any latent defect in the Goods has become apparent.

21.2 DM Composites Pty Ltd shall not be obliged to return to the Supplier any packaging or packing materials for the Goods, whether or not any Goods are accepted by DM Composites Pty Ltd.

22). GOODS WARRANTY

22.1 Save where otherwise expressly stated in the Agreement, the Supplier warrants to DM Composites Pty Ltd that all Goods will:

- a) be the best of their described kinds;
- b) be in exact conformity with any Specifications, Vendor Data, sample or other agreed description;
- c) be new, fit and free from defects in design, material, and workmanship;
- d) be of merchantable quality and fit for any purpose held out by Supplier or made known to Supplier in the Agreement, or which would be reasonably expected, including that they will function and operate satisfactorily in the environmental and climatic conditions to which they are to be exposed, (including altitude, and operational conditions such as exposure to dust, atmospheric corrosion, corrosive chemicals and fluids and rough handling); and
- e) will comply with all statutory requirements and regulations of the countries in which the Goods are to be manufactured, installed, executed, packaged, packed, delivered, sold, used or operated.

22.2 The Supplier warrants to DM Composites Pty Ltd that the Goods will be manufactured, and where relevant, installed, by appropriately qualified and trained personnel, with due care, skill and diligence and to the highest standard of quality.

22.3 Without prejudice to any other right or remedy available to DM Composites Pty Ltd, if any Goods are not supplied or performed in accordance with the Agreement, or a defect appears in the Goods (whether or not as a result of a breach of warranty under Clauses 22.1 and 22.2 or any other undertaking or condition or otherwise), then DM Composites Pty Ltd shall be entitled:

- a) to require the Supplier to repair or replace the defective Goods within seven (7) days; or
- b) at DM Composites Pty Ltd's sole option, and whether or not DM Composites Pty Ltd has previously required the Supplier to repair or replace the Goods or Works;
 - (i) to accept the defective Goods, and be entitled to recover from the Supplier, the greater of all damages, losses, costs and expenses suffered or incurred by DM Composites Pty Ltd, as a result of such defective Goods, or the benefit to the Supplier (including any Sub-supplier) of not having to rectify the defective Goods, or
 - (ii) where the Supplier fails to repair or replace the defective Goods as required by paragraph (a) above, to treat the Agreement as repudiated by the Supplier's breach and to accept such repudiation or to terminate the Agreement for the Supplier's breach, and require the repayment of any part of the Price which has been paid, and compensation for all damages, losses, costs and expenses suffered or incurred by DM Composites Pty Ltd.

22.4 The Supplier shall be liable for all damages loss, costs and expense incurred or suffered by DM Composites Pty Ltd, and shall indemnify DM Composites Pty Ltd against all liabilities, damages, costs and other compensation awarded against or paid by DM Composites Pty Ltd, in connection with any third party claims arising out of or as a result of or in connection with breach of any warranty given by the Supplier in relation to the Goods or any noncompliance with the Agreement, and all legal or other expenses incurred by DM Composites Pty Ltd in or about the defense or settlement of any such claims.

22.5 Repairs and replacements shall themselves be subject to the same warranties as contained in Clauses 22.1 and 22.2.

22.6 All express warranties of the Supplier set forth in the Agreement are additional to any warranties or conditions implied by statute or common law.

22.7 It is expressly agreed by the Supplier that the warranties given to DM Composites Pty Ltd by this Clause 22, together with any further warranties that may be provided to DM Composites Pty Ltd by the Supplier, shall simultaneously be for the benefit of the Client, who may call upon the Supplier to honor such warranties, whether or not this Agreement has been assigned or novated to the Client pursuant to Clause 30.

23). CONFIDENTIALITY

23.1 In this Clause, “Confidential Information” shall mean that information:

a) disclosed to or obtained by the Supplier at any time prior to the signing of the Agreement by the Supplier or in connection with or during the course of performance of the Agreement and which relates to DM Composites Pty Ltd’s past, present or future business and activities, or those of the Client; and

b) all items prepared for or submitted to DM Composites Pty Ltd for the purposes of performance of the Agreement, including any Vendor Data or other Specification, drafts and associated materials and works carried out under the Agreement.

But shall not apply to Confidential Information that:

(i) is or becomes publicly available without breach of the Agreement or other legal obligations by the Supplier; or

(ii) is released for disclosure with the prior written consent of DM Composites Pty Ltd.

23.2 The Supplier undertakes not to divulge or communicate to any person, firm or company any Confidential Information without the prior written consent of DM Composites Pty Ltd except to employees, agents or Sub-suppliers who are engaged in the performance of the Agreement and (if requested by DM Composites Pty Ltd) have signed a Confidential Undertaking having the same effect as the provisions contained in this Clause, and then only to the extent necessary for the performance of the Agreement.

23.3 The Supplier shall take all reasonable precautions in dealing with any Confidential Information so as to prevent any unauthorized person from having access to such Confidential Information.

23.4 If so required by DM Composites Pty Ltd, the Supplier shall simultaneously with delivery of the Goods or handing over of the Works, at its own expense, deliver up to DM Composites Pty Ltd all documents, papers and property containing any Confidential Information which may be in the possession or under the control of the Supplier, its employees, agents or Sub-suppliers.

23.5 The Supplier shall not disclose the existence of the Agreement or mention DM Composites Pty Ltd’s name or that of the Client, in any publicity release or announcement or publicity material or other similar communication without DM Composites Pty Ltd’s prior written consent.

23.6 The provisions of this Clause shall survive the termination or expiry of this Agreement for any reason.

24). INFRINGEMENT OF INTELLECTUAL PROPERTY RIGHTS

24.1 The Supplier shall be liable for all damages loss, costs and expense incurred or suffered by DM Composites Pty Ltd, and shall indemnify DM Composites Pty Ltd against all liabilities, damages, costs and other compensation awarded against or paid by DM Composites Pty Ltd, in connection with any infringement or alleged infringement arising from or occasioned by or in relation to the use of any Intellectual Property Rights in any Goods by DM Composites Pty Ltd pursuant to the Agreement, and all legal or other expenses incurred by DM Composites Pty Ltd in or about the defence or settlement of any infringement claim.

25). INDEMNITY

25.1 The Supplier hereby indemnifies and saves harmless DM Composites Pty Ltd from and against all liabilities, loss, damages, costs and expenses (including legal expenses on an indemnity basis) awarded against or paid or suffered or incurred by DM Composites Pty Ltd arising out of or as a result of or in connection with any breach of duty or negligence, or any act or omission, of the Supplier, its employees, agents or Sub-suppliers in connection with the performance of the Agreement.

26). TERMINATION FOR CONVENIENCE

26.1 DM Composites Pty Ltd shall be entitled, at any time prior to delivery of the Goods, to cancel the Agreement in respect of all or any part of the Goods by giving notice in writing to the Supplier. Upon receipt of such notice, the Supplier shall immediately cease to incur expenses in respect of the Agreement or the part thereof which has been cancelled.

26.2 The Supplier shall take all steps to mitigate costs to DM Composites Pty Ltd of such cancellation, and the provisions of Clause 20.12 shall, mutatis mutandis, apply. Upon such cancellation, DM Composites Pty Ltd's sole liability shall be to pay to the Supplier (after allowing for any previous payment):

- a) the value of the Goods delivered to DM Composites Pty Ltd at the Delivery Point;
- b) where there is no ready market for the Goods, the value of any Goods manufactured but not delivered at the date of such determination; and
- c) where there is no ready market for the unfixed goods or materials for incorporation in the Goods, the value of any unfixed goods and materials (wherever located) properly ordered for which the Supplier shall have paid or of which it is legally bound to accept delivery.

26.3 On payment by DM Composites Pty Ltd for any Goods, the property in such Goods so paid, if not already passed to DM Composites Pty Ltd, shall pass to DM Composites Pty Ltd.

26.4 Where there is a ready market for any Goods, the Supplier shall not be entitled to any payment therefore, save for its reasonable costs of handling and any bona-fide short-fall in recovering its reasonable costs of the Goods, whether or not property has passed to DM Composites Pty Ltd. If property has passed to DM Composites Pty Ltd, property shall re-vest in the Supplier and (if the Goods are in the possession or custody of DM Composites Pty Ltd) DM Composites Pty Ltd shall re-deliver the same to the Supplier at DM Composites Pty Ltd's premises.

26.5 The Supplier shall not be entitled to any payment for any Goods, under Clause 26.2 unless they are in all respects in accordance with the Agreement. The Supplier shall not be entitled to any loss of profit on the remaining parts of the Goods or any other compensation.

27). SUSPENSION

27.1 DM Composites Pty Ltd shall be entitled at any time to suspend performance of the Agreement in respect of all or any part of the Goods by giving notice in writing to the Supplier. Upon receipt of such notice, the Supplier shall immediately cease to incur expenses in respect of the Agreement or the part thereof the performance of which has been suspended. The Supplier shall take all steps to mitigate costs to DM Composites Pty Ltd of such suspension.

27.2 The Supplier shall immediately resume performance of the Agreement upon notice in writing from DM Composites Pty Ltd to the Supplier to do so.

27.3 Save that the Date for Delivery may be extended and recalculated by such further period and until such further date as may be reasonable to reflect any delay in Completion (an extension of time) which, notwithstanding due diligence and the taking of all reasonable steps by the Supplier to avoid or reduce the same, has been caused by any suspension by DM Composites Pty Ltd under Clause 27.1. The Supplier shall not be entitled to any additional payment or any adjustment to the Price arising from any such suspension unless such suspension was caused by the negligent or willful conduct of DM Composites Pty Ltd, in which case the Supplier shall be entitled to be reimbursed its reasonable costs directly attributable to the suspension. Provided always that the Supplier shall not be entitled to any extension of time or the payment of any costs if the suspension was due to any act or omission of the Supplier, its servants or agents or Sub-suppliers, but shall be entitled to an extension of time where the suspension is caused otherwise.

27.4 It shall be a condition precedent to an extension of time under this Clause that the Supplier shall within 14 days of the date of receipt of notice to resume performance, notify DM Composites Pty Ltd in writing of any claim for an extension of time and/or costs, together with a full statement of the reasons to justify such claim; any claims made otherwise are barred.

28). TERMINATION FOR DEFAULT

28.1 DM Composites Pty Ltd shall be entitled to terminate the Agreement forthwith by giving notice to the Supplier at any time if:

a) the Supplier ceases, or threatens to cease, to carry on business, becomes bankrupt or makes a composition or arrangement with its creditors or having a proposal in respect of its company for a voluntary arrangement for having a composition of debts or scheme or arrangement approved by, or having an application made in respect of its company to, the court for the appointment of an administrator, or having a winding-up order made (except for the purposes of amalgamation or reconstruction) or a resolution for voluntary winding up passed or having a provisional liquidator, receiver or manager of its business or undertaking duly appointed, or having an administrative receiver appointed, or having possession taken, by or on behalf of the holders of any debentures secured by a floating charge of any property comprised in or subject to the floating charge, or DM Composites Pty Ltd reasonably apprehends that any of the events mentioned above is about to occur in relation to the Supplier and notifies the Supplier accordingly (in any of the events aforesaid, the Supplier shall be deemed to be in breach of the Agreement); or

b) the Supplier commits a breach of any of its obligations under the Agreement.

In the case of a default referred to in Clause 28.1(b), other than a default in respect of on-Site safety, in which case DM Composites Pty Ltd may terminate the Agreement without notice, DM Composites Pty Ltd shall not be entitled to terminate the Agreement unless it has served on the Supplier a notice advising of the breach and allowing the Supplier not less than seven days in which to remedy the breach or otherwise show good cause why DM Composites Pty Ltd should not terminate the Agreement, and the Supplier fails to do so.

28.2 Upon termination for breach, the Supplier shall be liable for all damages, loss, costs and expense which may be suffered or incurred by DM Composites Pty Ltd arising out of such termination and shall indemnify DM Composites Pty Ltd against all liabilities, damages, costs and other compensation awarded against or paid by DM Composites Pty Ltd in connection with any third-party claims and all legal expenses and costs incurred by DM Composites Pty Ltd in the defense or settlement of any such claims, arising out of, or as a result of, or in connection with, such termination. DM Composites Pty Ltd's only liability to the Supplier, subject to DM Composites Pty Ltd's right of set-off, shall be to make payment of (or allow as credit) the Price of all Goods delivered or handed over to DM Composites Pty Ltd in accordance with the Agreement.

29). FORCE MAJEURE

29.1 If either party to the Agreement is prevented or delayed in the performance of any of its obligations under the Agreement by force majeure, and provided that such party has given written notice thereof to the other party specifying the matters constituting force majeure, together with such evidence as it reasonably can give and specifying the period for which it is estimated that such prevention or delay will continue, then such party shall be excused from the performance or the punctual performance as the case may be as from the date of such notice for so long as such cause of prevention or delay shall continue.

29.2 For the purpose of Clause 29.1, “force majeure” shall be deemed to be any cause affecting the performance of the Agreement arising from or attributable to causes which are not reasonably foreseeable and beyond the reasonable control of the party affected and without limiting the generality thereof shall include the following:

- a) strikes, lock-outs, or other industrial actions (excluding strikes by Supplier’s employees);
- b) civil commotion, riot, invasion, war threat, or preparation for war;
- c) fire, explosion, storm, flood, earthquake, subsidence, epidemic, or other natural physical disaster;
- d) impossibility of the use of railways, shipping, aircraft, motor transport, or other means of public or private transport; or
- e) Political interference with the normal operations of any party provided always that the Supplier shall not be excused from performance hereunder where alternate sources of supply of Goods or goods or materials for incorporation into the Goods are available.

29.3 If the force majeure in question prevails for a continuous period in excess of one month, the parties shall enter into bona fide discussions with a view to alleviating its effects or to agreeing upon such alternative arrangements as may be fair and reasonable provided that either party may terminate the Agreement (insofar as it is affected by the force majeure) if no such alleviation or alternative can be agreed.

30). ASSIGNMENT OR SUBLETTING

30.1 The Supplier shall not assign or sub-let- the performance of the Agreement (or any part thereof) without the prior consent in writing of DM Composites Pty Ltd. The Supplier shall at all times be responsible to DM Composites Pty Ltd for the acts or omissions of any assignee or Sub-supplier. When requested, an unpriced copy of the Supplier’s contracts with an approved Sub-supplier shall be furnished to DM Composites Pty Ltd promptly after receipt of DM Composites Pty Ltd’s consent.

30.2 The Supplier accepts that DM Composites Pty Ltd may be entering into the Agreement for and on behalf of the Client (whether or not made known to the Supplier). DM Composites Pty Ltd may freely assign or novate all its rights and obligations under the Agreement to any such Client. The Supplier hereby irrevocably consents to any such assignment or novation in the form required by such Client and to the release of DM Composites Pty Ltd upon any such assignment or novation, of all further obligations under the Agreement and agrees to execute any instrument or other document to give effect to any such assignment or novation and release.

30.3 DM Composites Pty Ltd may, upon written notice to the Supplier and without its consent, assign all or any part of its rights and benefits hereunder or transfer all or any part of its obligations hereunder to a related corporation, who upon receiving such an assignment or transfer will thereafter be liable solely for the performance of the obligations hereunder.

31). APPROVAL NOT TO RELIEVE SUPPLIER OF LIABILITY

31.1 No approval or consent of DM Composites Pty Ltd shall relieve the Supplier of any liability arising out of or in any way connected with the performance of its obligations under the Agreement.

31.2 Except as provided at law or in equity or elsewhere in the Agreement, none of the terms of the Agreement shall be varied, waived, discharged, or released except with the written consent of the parties, which shall not be continuing unless expressed to do so and further shall not constitute a waiver, discharge, or release of any other term.

32). LIEN

32.1 The Supplier hereby waives any and all rights of lien against any of the Goods or any work of which the Goods form part or the Site (or part thereof) to the fullest extent consistent with the law. In the event an employee of the Supplier, or a Sub-supplier or a worker employed by them, institutes action to place a lien on the Site (or part thereof), the Supplier will take whatever action is necessary to avoid the lien being registered or to have the lien removed forthwith (as the case may be), and shall indemnify DM Composites Pty Ltd against costs, losses, or damages whatsoever, that DM Composites Pty Ltd may suffer as a result of the registration or proposed registration of such lien.

33). WAIVER

33.1 A failure by DM Composites Pty Ltd to enforce or exercise any rights conferred upon it under the Agreement or at law shall not be deemed to be a waiver of any such rights (unless made in writing by DM Composites Pty Ltd) or operate so as to bar the exercise or enforcement thereof at any subsequent time or times. No waiver in respect of any breach of the Supplier shall operate as a waiver in respect of any subsequent breach.

34). CUMULATIVE RIGHTS

34.1 The rights and remedies hereby conferred shall be cumulative and in addition to any and all other rights and remedies now or hereafter existing at law or in equity.

35). SURVIVAL OF TERMS

35.1 The termination or cessation otherwise of the Agreement howsoever caused shall be without prejudice to any obligations or rights of either party which have accrued prior to such termination or cessation and shall not affect any provision of the Agreement which is expressly or by implication provided to come into effect on or to continue in effect after such termination or cessation.

36). PROPERTY FURNISHED BY DM COMPOSITES PTY LTD

36.1 Without prejudice to Clause 23.4, any tools, tooling, drawings, plans, papers, documents, tape, diskettes, materials and other property furnished by DM Composites Pty Ltd for use by the Supplier shall be identified and shall remain the property of DM Composites Pty Ltd and shall be used by the Supplier only for the purpose of the performance of the Agreement. The Supplier shall ensure that any such property is clearly marked and identified as DM Composites Pty Ltd's property, and kept separate from other property of the Supplier or any third party and properly stored and protected.

36.2 All property aforesaid shall be delivered to DM Composites Pty Ltd forthwith upon DM Composites Pty Ltd's request to a destination specified by DM Composites Pty Ltd, in their original condition except for normal wear and tear.

37). INDEPENDENT CONTRACTOR

37.1 For the purposes of the Agreement, the Supplier is an independent contractor and not an agent or employee of DM Composites Pty Ltd.

38). GOVERNING LAW

38.1 The Agreement shall be governed by and construed in all respects in accordance with the laws (and be subject to the courts) of:

- a) where the Delivery Point is in Australia, the place where the Delivery Point is situated;
- b) where the Delivery Point is in New Zealand, New Zealand; and
- c) where the Delivery Point is not in Australia or New Zealand, South Australia.

39). DISPUTE RESOLUTION

39.1 In the event that any dispute, controversy, or difference of any kind whatsoever arising out of or in connection with the Agreement (including the validity or enforceability of the Agreement or any part thereof) or the carrying out of the Agreement, shall arise, either Party may notify the other in writing that a dispute has arisen and giving full details of the dispute.

39.2 Within 14 days of the date of notification of a dispute, Senior Executives of DM Composites Pty Ltd and the Supplier shall confer in good faith and attempt to settle the dispute amicably or agree a method for settlement.

39.3 If the parties are unable to resolve the dispute by negotiation or agree a method of settlement, within 30 days of notification of the dispute, the dispute may be referred by either party to arbitration by a single arbitrator to be appointed by agreement or (failing agreement within 14 days after receipt of notification by one party to the other of the intended reference) by a single arbitrator to be appointed on the written request of either party by the President of the chapter of the Australian Institute of Mediation and Arbitration in the place of the governing law, but only where the matter being referred in DM Composites Pty Ltd's opinion does not give rise to a claim by DM Composites Pty Ltd against the Client under DM Composites Pty Ltd's contract with the Client, in which case Clause 39.7 will apply.

39.4 The place of arbitration shall be:

- a) where the governing law under this Agreement is the laws of New Zealand, a city in New Zealand as agreed by the parties; and
- b) where the governing law under this Agreement is not the laws of New Zealand, the capital city of the place of the governing law.

Unless otherwise agreed, the arbitration shall be conducted in accordance with, and subject to The Institute of Arbitrators and Mediators Australia, 'Rules for Conducting Expedited Arbitration'. The decision of the arbitrator shall be final and binding upon DM Composites Pty Ltd and the Supplier. The parties expressly and irrevocably agree, that any statutory proportionate liability regimes that may otherwise apply, are, to the maximum extent permitted, hereby excluded from operation in respect to any dispute, claim, action or matter whatsoever arising in connection with the Agreement.

39.5 Notwithstanding the existence of a claim or dispute, the parties must continue to perform their respective obligations under this Agreement.

39.6 All documents, correspondence, drawings, and data relating to the Agreement or any dispute are to be in the English language.

39.7 Where in DM Composites Pty Ltd's opinion, the matter being referred to in Clause 39.1 gives rise to a claim by DM Composites Pty Ltd against the Client under its contract with the Client and DM Composites Pty Ltd intends to pursue that claim through arbitration or other formal dispute resolution protocol under that contract, DM Composites Pty Ltd shall upon the expiry of the 30 days indicated in Clause 39.3 give notice to the Supplier informing the Supplier of its intention to pursue the matter under the contract with the Client in which case the following shall apply.

- a) The Supplier shall give DM Composites Pty Ltd all reasonable assistance in the prosecution of DM Composites Pty Ltd's claim or dispute and shall make available all relevant information, documents, and evidence within its possession or control.
- b) DM Composites Pty Ltd shall prosecute its claim or dispute with due diligence.
- c) The Supplier shall be bound by the findings of fact and by the decision or decisions made in respect of DM Composites Pty Ltd's claim or dispute to the extent that the same involves any issue or issues which are the same or substantially the same as issues which are relevant to the Supplier's claim, and the Supplier's claim shall be determined in a manner consistent with all such findings and decisions.
- d) The Supplier shall indemnify DM Composites Pty Ltd to the extent of the Supplier's interest in respect of the claim or dispute, against all costs and expenses incurred by DM Composites Pty Ltd by reason of the operation of this Clause.
- e) The Supplier shall lodge with DM Composites Pty Ltd reasonable cash or other security against such costs and expenses DM Composites Pty Ltd may reasonably incur, and any monies DM Composites Pty Ltd may recover shall be to the benefit of the Supplier to the extent of the Supplier's interest in the claim or dispute, save that DM Composites Pty Ltd shall be entitled to withhold from any such moneys an amount representing DM Composites Pty Ltd's unrecovered costs of conducting the claim, in the proportion that the Supplier's entitlement bears to the total award.

40). CODE COMPLIANCE (Australia only – NSW & Qld)

40.1 Definitions:

- a) The Agreement adopts the definitions provided by the Code of Practice for the Building and Construction Industry (State Codes) and Implementation Guidelines to the Code of Practice for the Building and Construction Industry (State Guidelines) in New South Wales and Queensland (as applicable).
- b) Code Regulator means the Queensland Building Construction Compliance Branch or the New South Wales Code Compliance Unit (as applicable).

40.2 The Supplier:

- a) must comply with, and meet any obligations imposed by, the State Code and the State Guidelines;
- b) must notify the Code Regulator, DM Composites Pty Ltd, and the Principal of any alleged breaches of the State Code or Guidelines and of voluntary remedial action taken, within 24 hours of becoming aware of the alleged breach;
- c) where the Supplier is authorized to engage a subcontractor or consultant, and it does so, must ensure that any secondary contract imposes on the subcontractor or consultant equivalent obligations to those in this section 40, including that the subcontractor or consultant must comply with, and meet any obligations imposed by, the State Code and Guidelines;

d) must not appoint or engage another party in relation to the project where that appointment or engagement would breach a sanction imposed on the other party in relation to the State Code or Guidelines.

40.3 Access and Information:

a) The Supplier must maintain adequate records of compliance with the State Code and Guidelines by it, its subcontractors, consultants, and related entities.

b) The Supplier must allow, and take reasonable steps to facilitate, the Code Regulator and its authorized personnel to:

(i) enter and have access to sites and premises controlled by the Supplier, including the project site;

(ii) inspect any work, material, machinery, appliance, article, or facility;

(iii) access information and documents;

(iv) inspect and copy any record relevant to the project;

(v) have access to personnel;

(vi) interview any person; and

(vii) as necessary for the authorized personnel to monitor and investigate compliance with the State Code and Guidelines, by the Supplier, its subcontractors, consultants, and related entities.

c) The Supplier, and its related entities, must agree to, and comply with, a request from the Code Regulator or such other authorized Government personnel for the production of specified documents by a certain date, whether in person, by post, or electronic means.

40.4 Sanctions:

a) The Supplier warrants that at the time of entering into this contract, neither it, nor any of its related entities, are subject to a sanction in connection with the State Code or Guidelines that would have precluded it from tendering for work to which the State Code and Guidelines apply.

b) If the Supplier does not comply with, or fails to meet any obligation imposed by, the State Code or Guidelines, a sanction may be imposed against it in connection with the State Code or Guidelines.

c) Where a sanction is imposed:

(i) it is without prejudice to any rights that would otherwise accrue to the parties;

(ii) the State (through its agencies, Ministers, and Code Regulator) is entitled to:

(iii) record and disclose details of non-compliance with the State Code or Guidelines and the sanction; and

(iv) take them into account in the evaluation of future expressions of interest or tender responses that may be lodged by the Supplier, or its related entities, in respect of work to which the State Code and Guidelines apply.

40.5 Compliance:

a) The Supplier bears the cost of ensuring its compliance with the State Code and Guidelines, including in respect of any positive steps it is obliged to take to meet its obligations under the State Guidelines. The Supplier is not entitled to make a claim for reimbursement or an extension of time from DM Composites Pty Ltd, the Principal, or the State Government for such costs.

b) Compliance with the State Code and Guidelines does not relieve the Supplier from responsibility to perform the works and any other obligation under the contract, or from liability for any defect in the works or from any other legal liability, whether or not arising from its compliance with the State Code and Guidelines.

c) Where a change in the contract or works is proposed, and that change would, or would be likely to, affect compliance with the State Code and Guidelines, the Supplier must immediately notify DM Composites Pty Ltd and the Principal (or nominee) of the change, or likely change and specify:

(i) the circumstances of the proposed change;

(ii) the extent to which compliance with the State Code and Guidelines will, or is likely to be, affected by the change;

(iii) what steps the Supplier proposes to take to mitigate any adverse impact of the change (including any amendments it proposes to a Workplace Relations Management Plan),

(iv) and the Principal will direct the Supplier as to the course it must adopt within 5 Business Days of receiving notice.
